

First Aid Products and Services

BE PREPARED

UniFirst First Aid + Safety provides cost-effective, on-site first aid products, personal protective equipment (PPE), and personalized delivery services on a regular schedule, as well as certified safety programs. These products and services will help keep your team safe and productive while also making your business OSHA/ANSI compliant.

- All first aid products are designed for use in the workplace with color-coded packaging to help employees quickly identify and respond.
- A selection of over 2,500 first aid, safety, AED, OSHA compliant, and facility service products.
- Scheduled maintenance and replenishment of your first aid cabinet to help meet ANSI standards.
- CPR, AED, and first aid training with two-year certifications.
- Comprehensive safety video library available online and on DVD.

Let UniFirst First Aid + Safety help make your workplace safer.

Safety and Restroom Products

Safety Eyewear

UniFirst has a wide variety of eye protection products, lens cleaners, and other accessories to protect your employees with stylish and comfortable options.

Hearing Protection

UniFirst has a large selection of earplugs and muffs to meet your employees' needs. Comfort, style, and noise reduction go hand in hand to achieve a successful compliance program.

Work Gloves

Tough work requires tough protection. UniFirst has a wide variety of work gloves to meet the demands placed on today's hands.

Paper Dispenser and Toilet Tissue

Our Tork® paper and tissue products offer soft and absorbent jumbo rolls with one-at-a-time sheet dispensing to reduce upkeep and minimize costs. Stylish dispensers lock to eliminate theft, vandalism, and waste.

Air Fresheners and Odor Control

Continuous odor-control systems deliver precise, consistent doses of fragrance that are effective without being overpowering. Microtrans® neutralizing technology is available in TCell™ (no battery) and Microburst® spray options.

Hand Care and Soap Products

Our wide variety of GOJO® hand care and soap products range from light restroom to heavy-soil applications. PURELL® hand sanitizer options also available. So, no matter your need, we have the product for you.
